

PRIVATE LESSON FEE AND HOLIDAY SCHEDULE 2018

Please note: If a student finds it necessary to cancel a scheduled lesson the procedures below must be followed. These policies are in place to retain the excellence in music education that our school provides. As a courtesy, we strive to make up cancelled lessons as per our policies below, but it should be understood that WE CAN NOT GUARANTEE to do so. Sometimes it is impossible due to the large quantity of students who attend this school and the overwhelming number of students who cancel on a daily basis. YOUR teacher is the only one who will do your make up because your teacher has been paid whether you show up for your lesson or not. Our teachers are professional musicians and teach as part of their livelihood. These policies are built on the premise that whether a student shows up for a lesson or not, our teachers need to be paid for their time; and the school can not afford to pay the teacher twice for a lesson that a student has only paid once for. Respect for these policies show respect for our dedicated musicians/educators. Please note the following: 1) We will only **attempt** to find a make up times for 2 missed lessons, per student, per term. 2) We will **not** make up same day cancellations or no shows. 3) We require a minimum of 24 hours notice of cancellation and if there is a make up time available the student will be notified by telephone. Only under extreme circumstances will Addison cancel your lesson. If a teacher can not make a scheduled lesson, he/she will provide a substitute. In order to maintain our LOW tuition costs, we take all payments by Interac, cash or Cheque. However, please be aware that all NSF cheques will be charged a \$25 fee.

Pre-reg for September: Students who register before August are required to leave full payment but can split it up in two with one payment dated at registration and the second, a post dated cheque for balance dated for return date in September. After July 31, if a student drops their September spot the full balance minus \$100 (non refundable deposit) will be refunded. (Our staff is overwhelmed in September and by following these guidelines you are helping admin staff to be efficient and to place priority over customer service & scheduling issues in September rather than accounts receivable for over 1,000 students.)
